Tell-all tales about banging some of the hottest celebs

# STAR FUCKERS

“When I was 18 I looked 24, and chicks were always attracted to me even in my teens,” he says. “I can’t remember a time when girls weren’t making a fuss over me or saying how cute I was. I got to know a lot of girls and ladies real well, real quick, so by the time I was 22 I was pretty jaded. I was looking for something special, but not a new kink or a fetish, just a new, exciting kind of woman.”

While Manny was attending college, a well-known actress in her thirties came to his hometown to make a TV movie. She was blonde and stacked. “I went up to her and asked for her autograph, and then I told her I’d had a wet dream about her, after I heard she’d be coming to town to do her movie. If you want to be successful at scoring some star pussy, you have to come right out with-it. The worst that can happen is they give you a dirty look or slap your face. And man, getting slapped by a star is okay with me!”

Manny and that hot blonde actress hooked up and were together for nine weeks, which was as long as it took the movie to be made there.

“I made one little mistake,” he recalls. “I fell in love with her. She was something special and I thought she might feel some of that for me, since everyone had always told me how special I was. Well, in Hollywood good looks come cheap, and after they wrapped up the flick she was off—without so much as a goodbye. All she’d wanted was good old-fashioned sex, not a relationship. Always keep that in mind when it comes to

these things.”

Since then, by his own estimate Manny has had sex with “almost three dozen famous women, whose names you’d recognize,” he claims. (His ideal fuck would be a famous blonde singer, but she’s already seeing a big football star, Manny says.) “Some of them are prudes or they’re afraid of their reputations, but many will have sex with you if you make a play for them.”

The obvious question is: Do dudes like Manny get paid by these rich and famous ladies? He shakes his head emphatically. “No way! There are male hookers, but that’s a whole different scene—although a few of the chicks I fucked almost expected me to pay them!”

One famous actor, who shall remain unnamed, has dated various famous ladies. “The problem with going to bed with an actress is she kills herself for the sake of her reputation. She’s afraid if I go to bed with her I’m going to tell everyone, ‘I banged so-and-so and she’s lousy in bed.’ They work so hard at proving their reputations that it isn’t any fun for anyone.”

What does Manny have to say about that? “It’s true, especially if an actress hooks up with someone else famous. That’s why they love guys like me: we’re anonymous, there are lots of us, and after they’ve had one it’s time for the next one. They can let it all hang out, they don’t worry, and they just go for the gusto.” He admits that nearly all of his experiences with stars have been one-night stands. “If a chick like that wants to fall in love or date a guy, she chooses someone who’s either

sort of famous or who's loaded, not someone like me."

So what makes it all worthwhile for the hordes of guys looking to score some famous snatch?

Jim, who's in his mid-30s and works as a mechanic, says: "Good sex, the best sex you ever had. It's better when you can look up at the woman whose pussy you're

"I rimmed her ass, ate her pussy, massaged her feet with my tongue, buried my cock in her hair and got to fuck her both ways—in front and from behind." He adds that she didn't blow him till the guests had left. Then they did it while frolicking in her swimming pool. "Most of the chicks I've done it with are big into their

eating out and the face that looks back at you is a beautiful one, a famous one that you've fantasized about fucking."

Not all guys like this feel that famous women make better lovers, but all of them find banging such women is a bigger thrill than doing it with the girl next door. Others are attracted by the sophistication of these celebrities.

"They're into everything. They've tried it all," says Manny. "They can have almost any dude they want, so they learn to vary their pleasure by indulging every fantasy and trying everything new."

He recalls one time when he was hired by a well-known TV actress to serve at her dinner party. "She stood behind the bar dispensing the drinks, while I was behind the bar too, down on my knees and sucking her cunt. Nobody suspected a thing, even though she kept shaking and her voice was quivering." Did she come? "No, she made me stop. She was saving that for later."

After dinner had been served the guests repaired to the living room, where the lights were dimmed. The "entertainment" then began, which consisted of the hostess and her hired hand having sex on a walnut table. "It was wild," Manny remembers with a smile. "The foreplay went on for about half an hour and the sex itself lasted just as long. She did everything to me but suck on my cock, which would have been improper for a star to do at her own party; she was celebrating the renewal of her TV series.

swimming pools," he says.

"There's all kinds of phony images," according to another star fucker named Joe. "There's this one chick from the UK who was bigger when she was in her teens, and she has a wholesome, lady-like image. But her favorite thing in the world is sucking dick, and she's an expert. Lots of them learn it in the 'industry,' shall we say."

One Hollywood author has told the tale of how a major studio's leading musical producer used to require prospective female stars to give him loving blowjobs. One of them could only agree after having a pot of chocolate sauce brought in. He reveals this has been very popular in Hollywood, but with a twist:

"Several actresses I know like to suck a cock if it's got sauce on it. Whipped cream is yesterday's news, and some prefer butterscotch or strawberry, but the big thing is hot fudge and the hotter the better—as hot as the lucky dude can stand. The twist is that they often spike the sauce with vodka and it may work on them in very strange ways. I know one pretty female comedian who included me in a line-up of five guys one afternoon. She collected us off the street in front of her home and we had to stand there, side by side, our dicks sticking out straight as you please, while she did us, one by one. It was fun, though I got used to the other guys watching. One of them said, 'You supply the spoon and I've got the nuts and cream! She thought that was a real hoot!'"

The men then got to wash off by jumping into her

swimming pool with her, where one lucky slob got to bang her underwater.

Sex with a famous celebrity isn't always that bizarre and oftentimes it doesn't even happen to guys looking to hook up with them. A friend of this writer was once staying at a San Francisco hotel when a major motion picture was being shot there. The second leading lady was in the drugstore down below, waiting interminably for the next camera set-up, and then this dude sneaked in, getting past two security guards.

"I said hi to her, but that was almost all," he says. "Somehow we were able to find our way to a dark corner and began French kissing. Five minutes later I was banging her, right into the wall. She loved it, even though she never said another word to me. Afterward she just kissed me on the cheek. I think one of the guards must have seen us, because I heard steps start to walk through the door, but he must have stopped. I mean, what could he do? Come in and ask her, 'Is this

that would be the end of that, but three weeks later she called me from New York and said she was lonely.

"She sent along a first-class roundtrip plane ticket and I stayed with her for a week, at her luxurious hotel suite. We never had sex after that week, but we stayed friends and she introduced me to a producer who helped get me a small role on a new TV series."

Another member of the club is Ben, a college student who he says has no idea what he'll do after graduating. "I'm not that good looking, but for some reason women find me sexy," he says. "I've had a singer, an actress and a director so far, and two of them told me I was a refreshing change, after all the pretty faces they come in contact with all the time."

So how does someone like Ben go about scoring some star pussy?

"You either have to live in the LA area, or you have to be in New York or a big city with theaters and concert halls. If you're in Hollywood, you just hang around

guy molesting you?"

A few of these guys, of course, have gone on to become boyfriends and even husbands of famous celebs. After all, they come from all backgrounds and have every conceivable type of job. Not surprisingly, a good percentage of them are employed in professions related to show biz. Several hetero male hairdressers are doing this part time groupies, and as everyone knows, some hairdressers have become more than just friends to their famous clients.

Male models often get to meet beautiful actresses. One ex-model, who gave it up after becoming an actor—thanks to the connections of his first actress girlfriend—states, "I had casual, one-time-only sex with a few actresses. Then I was introduced at a party to an actress-singer. We had sex in the bathroom and I thought

places where the stars hang around.

"Some guys have a few favorites that they try and get to meet. Like, they get to know their schedules and follow them around or they make friends with their associates, find out about the star's sexual habits and so forth. Some guys will bang anyone even remotely famous, real nobodies." Are most guys like this picky? "Oh, I'm not picky," Ben says. "But if sex with a famous chick is your goal, then stick to it, I say. Don't cheapen your goal or settle for less."

Ben realizes that many dudes get more than sex out of their pursuits. "I've been offered a car, but the woman wanted me to be her exclusive lover for at least a year," he discloses. What's so bad about that? "I'm into independence, freedom, doing my own thing, in and out of the sack. My ego couldn't take being a kept man,

and that's what I'd be. I just want to be a freewheeling. Most guys like me don't get paid, but they get to keep their dignity and in bed they're still men."

He describes his last experience screwing a celebrity:

"I was in a classy Santa Barbara suburb a few weekends ago and this retired actress had a party at her villa. I was invited with a friend of her last husband. Connections count and I don't hesitate to use them. At the party I met this woman director. She was turned on by me and led me upstairs, where we fucked our brains out in the bathroom. We took a shower together after she went down on me, and I pounded her again in the shower.

"It was just refreshing fun. I wasn't after any acting job or anything but she gave me her card, if I ever want to audition."

Surprisingly, most groupies don't ask for favors or gifts, says Jim. "Let's face it, we're a dime a dozen to

by her bed, with champagne—we sucked each other; fucked every which way, tickled. She brought out her dildo for some double-dipping. About the only thing I said no to was when she tried to shove a drumstick up my ass." Arnie swears it's all true, but he notes that most of his experiences weren't that wild.

"For the most part it was oral sex, actresses going down on me. They'll do directors and producers but they won't do actors. Because they're their peers, and actresses have professional egos with the men they act with. But they'll go down on a total stranger, a man who has nothing to do with the industry. And in my day we few male groupies wouldn't think of going with a TV star; the only female star on TV was Lucy!"

Arnie is now married, but he has never told his wife of his former sexual escapades. Today's star fuckers are willing and eager to tell and each star they-bang is a notch on their belts.

Every guy interviewed for this article agrees there

rich, desirable women who also happen to be famous. If we nag or get too pushy, they get turned off."

Men who chase star pussy usually "retire" by their mid-30s or so. Arnie, an entrepreneur in his fifties, claims to have been one of the few male groupies back in the day. He says he seduced "over a dozen of the most famous women in Hollywood." He won't name names, but said "I had sex with Marilyn once, after her initial affair. She was lovely physically but uninspiring in bed."

His best time in the sack? "A gorgeous brunette sex symbol, a famous actress from the South, still acting now and then. I'd prefer not to give her name, but she was a tiger and really kinky. She and I spent a total of 15 hours in bed, including naps. You name it, we did it. We ate food on each other—she had a minifridge

are even more such guys on the way. Why? Manny believes, "Living out your fantasy is no longer taboo. I'll tell you one thing: the biggest fantasy besides having several women at your command is having sex with a beautiful, famous, rich woman. Like the saying goes, 'Power is the biggest aphrodisiac,' right?"

The reason celebs go for these guys? Sums up one famous beauty: "I can't afford a loose rep. Even in Hollywood, a woman can't be a slut. There are paparazzi up the wazoo; it's bad for the image. I'm too busy with my career to have a steady beau and I don't like the usual head games you'll experience in a relationship. So groupies are perfect for me—quick, anonymous fucks, sex when I want it, where I want it and the way I want it, no questions asked. These guys will do anything for me."

I let him ride me long and hard. His cock is just the way I like it. Rock hard all night long. It started to go down after a couple hours, but I would not allow that. My ass needs some cock, too. I was not finished and neither was he. Only two orgasms. What sort of night is that with only two orgasms.

## HIGH SCORE

*A tube top and tight denim miniskirt accentuated her physical attributes...*

With two hours to kill between classes, I found myself torn between a study session in the library or an afternoon at the Speedy Quick. I chose the latter, of course. Working on my English paper could hardly compare with an afternoon of Space Blaster, my all-time favorite videogame.

Driving to the convenience store, I popped a cassette into my tape player and cranked up the volume. Heavy Metal tunes always put me in the right frame of mind, getting me properly pumped for a heated battle with hostile alien marauders.

I lived in the dorm, but Speedy Quick was my home away from home. The student union boasted half a dozen videogames, but it didn't have Space Blaster. Dave, the store clerk, knew me by name; he always had a kind word, sometimes even a cigarette, whenever I dropped by for a quick game or two.

Now I stepped up to the counter and handed him a dollar bill. There was no need to tell him what I wanted. Dave knew the score.

He dropped four quarters into my palm. "Looks like you've got some competition, Mark. She's damned close to breaking your high score."

Dave was referring to the stacked brunette playing Space Blaster. I had never seen her before. She was a looker, you bet. A tube top and tight denim miniskirt accentuated her physical attributes, of which there were many. If her hand/eye coordination was half as good as her body-well, my high score would be in serious jeopardy.

"Good luck," Dave chuckled.

I walked over and placed my coins on the machine—insuring that the next four games would be mine—though not before peering at the rapidly escalating score at the top of the screen.

One hand gripping the joystick, the other slapping the "fire" button, the brunette made mincemeat of her alien adversaries.

Unfortunately, Dave's prophecy came to pass. I frowned as she dethroned me, besting my score by 3700 points before the aliens finally destroyed her last ship.

GAME OVER, the screen read.

"Fuck!" she hollered, slamming her fist against the machine. I waited patiently as she entered her initials.

My frown deepened as PAM replaced MJR at the top of the list, relegating me to second place.

She didn't hang around to watch me play, a good thing as I performed poorly. My fourth and final game was the worst I had played in many months.

"Shit," I muttered. "Maybe next time."

Dave was busy with a customer when I exited the store. I hopped in my car and headed back to campus. I had driven maybe half a mile when I saw the brunette walking along the side of the road. She looked even better from behind, her sexy ass and legs on full display. I changed lanes and wheeled to the gravel shoulder.

"Need a ride?" I asked her.

She smiled. "Hell, yeah."

The brunette needed a ride, all right.

In more ways than one!

This I discovered after driving her to the seedy apartment she shared with her sister. No sooner had I pulled into the parking lot than she invited me inside. "I've got some good dope," she said.

Pam wasn't kidding. The dope was superb. We sat on a threadbare sofa and passed her little pipe back and forth, getting higher and higher until I made the first move.

We started with some kissing, but things heated up quickly. It wasn't long before she bent over my lap and sucked my dick, her head moving up and down as I stroked her brunette locks.

Pam gave spectacular head; she polished my pole with a wondrous plunging motion, getting me harder than a riot stick.

Ready to be fucked, she raised her head, pushed her hair out of her eyes, and straddled me. I reached under her miniskirt, pushing her panties aside with one hand, guiding my prick with the other.

I slid right inside, skewering her tight cunt as she lowered her slender hips. Pam rode me with a nice rhythm. I met her movements with a series of pelvic thrusts, pushing and probing.

Moments later she lay beneath me, her miniskirt hiked above her waist, her panties on the dirty carpet. I pumped between her legs, fucking her hard and fast. I would have gladly screwed her all day, but I had a class to make and didn't want to be late.

I pulled out and stood beside the sofa, proffering my dick. Pam sat up and sucked me to completion. I exploded in her mouth, grunting with each pulsating spasm. She swallowed my entire load.

Before leaving I told her that I was none other than MJR, the previous Space Blaster champion . . .

"You demolished my high score," I told her.

"I guess we're even," she said with a smile, "because you demolished my pussy!"

## JUMP OFF

End credits rolled down the drive-in screen to the accompaniment of triumphant music. The Satanic motorcycle gang had been defeated. The small-town sheriff would live to see another day. As for my date—well, I wasn't so sure.

Brenda expelled an exasperated sigh. "That was probably the worst movie I've ever seen in my life."

"Ah come on, Bren," I said. "It wasn't that bad."

"Torture," she replied. "Pure torture."

After a tense silence, she said, "Just take me home, Drew."

Shit, I thought, she ain't kidding. The low budget movie had put her in a foul mood.

She was ready to call it a night. I turned off the radio, plunging the car into silence.

Then I dug out my keys. Nothing. Nada. Zip. The motor gave me a big middle finger.

B r e n d a frowned. "What's wrong?"

"I think the battery is dead," I told her.

"Great." She threw up her hands in frustration. "Just fucking great."

Cars exited the gravel lot in an orderly manner, one after another.

At first, I seemed to be the only patron experiencing car trouble. But as the lot emptied out, I saw a second stalled car, then a third.

"Well," I said, "at least we aren't the only one."

Brenda's frown deepened. "This is ridiculous. First you bring me to this awful movie. Then your piece of shit car won't even crank. To hell with this. I should've never broken up with Mark."

"Brenda, wait—"

"Good luck, Drew. You're going to need it."

She got out of the car and slammed the door. Her phone pressed to her ear, she hastened to the snack bar. I had no doubt that she was calling her ex-boyfriend. And Mark, I felt certain, would swallow his pride and

come to her rescue.

Hell, who could blame the guy? Brenda was a hot blond hardbody, and hard to resist.

"I can't thank you enough," I told the slender brunette who had jumped me off with a portable battery charger. "You really saved me."

Stading there beside her golf cart, she flashed a brilliant white smile. "It was my pleasure."

An employee of the drive-in, the brunette had jumped off the other stalled cars before finishing with mine. "This is one of my closing duties," she said. "There are always a few folks who need a jump."

We were the only two remaining at the drive-in. The groud lights began to turn off one-by-one. Even the snack bar had closed for the night.

I pulled out my pretty thin wallet.

"Here," I said, proffering a five-dollar-bill. "I'd like to give you a little something for your trouble."

"Oh, I couldn't. We aren't allowed to accept tips."

"That's too bad," I told her.

She searched my face, a coy smile creasing her youthful features. "Of course, there's another way to show your appreciation."

"I'm listening."

It would be the understatement of the year to say that I was shocked when she climbed into my backseat and told me to join her. But I quickly regained my senses and complied with her wish.

The scent of Brenda's perfume lingered inside my car, but she couldn't have been further from my mind when the brunette liberated my dick and proceeded to give me a spectacular hummer.

I sat there in amazement as her head bobbed in my lap. Her lips cinched around my rigid pole, she pumped faster and faster, bringing me to the brink of orgasm before taking a break.

"My pussy is so wet," she said. "I want you to fuck me."

I started to move on top of her, but she wasn't having it; this became abundantly clear when she straddled me. Her short skirt made for easy access as she

pushed her panties aside with one hand and grasped my cock with the other.

Having guided me inside her, she started to ride me with a hypnotically slow rhythm. I moved with her, thrusting my hips. Hers was a tight cunt, providing much friction.

I fully expected her to finish me in this fashion, but she surprised me yet again when she dismounted and went to work with her mouth. The first blowjob had been great. This one was even better. Short and sweet. I grunted loudly upon release. She swallowed my entire load, ingesting the sticky contents of my ballbag.

Driving home from the drive-in, a pleasant breeze whipping my hair, my headlights lashed the figure of an attractive female walking along the side of the highway. I did a doubletake. It was Brenda!

I veered to the shoulder a short piece in front of her.

"What happened to Mark?" I asked as she reached the passenger side of my car.

"Your guess is as good as mine. He didn't answer."

"Get in, grt in now." I told her.

"I'm really sorry, Drew," she apologized as we motored down the highway. "I acted like a total bitch, abandoning you like that. It's not my character, but I was so confused, I didn't know what to do"

"It's okay, Bren," I told her.

"Somebody jumped me off."

When we reached her apartment, she placed her hand on the inside of my thigh and invited me inside. "Let me make it up to you."

I accepted her offer, of course. After all, it was the least she could do. We headed inside and I took my jacket off and threw it on the overstuffed chair in her living room.

"Drew, I know your throuat must be parched. Can I get you something to drink?"

"Yeah, it is. Thanks. If you have one, a beer would be great."

And got jumped off for the second time that night!

Alex is in my third year Calculus class at the university. We've been study buddies for two of those years, and fuck buddies this past year. It all started one Saturday afternoon when I invited him to my dorm room to study and watch our college's football game on the TV. By halftime we were ahead by 35 points and so I turned my attention to him. Soon his cock was in my mouth, and then in my pussy.

I love fucking to romantic music in a romantic setting. And what's hotter than fucking around a huge fire with a huge cock teasing my pussy? One night I fucked from the beginning of Bolero to the very end. That music made me so horny that I came at least a dozen more times!

what's your  
favorite fuck  
music?
